Sub: TEQIP-II - Teaching and Research Assistantships to Masters and Doctoral students of Applied Science departments

As per the decision taken in the review meeting by AS (T), MHRD and NPD (TEQIP) held on 19.06.2013, in all the project institutions, the project will also support:

"Teaching and Research Assistantships for Masters and Doctoral students of Applied Science departments viz. Physics, Chemistry and Mathematics"

Selection of students for providing TEQIP Teaching and Research Assistantships may be done by formulating a due procedure approved by BoG of the institution or the competent authority.

Assistantships may be provided from date of selection of student for TEQIP assistantship (but not earlier than date of successful signing of MoU between concerned State and institution).

The students receiving Teaching/Research Assistantships will be required to devote 8-10 hours per week for Teaching/Research.

With regards,

Prof A U Digraskar
Central Project Advisor (CPA)
National Project Implementation Unit (NPIU)
Ed. CIL House, 4th Floor, Plot No. 18 - A, Sector 16 - A,

TEQIP
