

DEPARTMENT OF TECHNICAL EDUCATION

From

The Director,
Directorate of Technical Education,
Guindy, Chennai 600 025.

To

The Principals of all Govt./
Govt.-Aided and Self-Financing
Engineering / Polytechnic Colleges

Lr. No. 19099 / NSS / 2019 dated 17-8-2019

Sir / Madam,

Sub: DOTE – Maintenance of Institution Campus Clean - Preventive Measures
to be taken on Dengue and other health hazards – Reg.

Ref: This Office mail dated 6.8.2019.

With reference to the above-mentioned subject, I wish to inform that this Office has already requested the Principals of all the Institutions to take necessary immediate action to ensure clean environment in the campus to arrest the breeding of Mosquitoes, which causes the Dengue Fever and other health hazards vide mail under reference.

In this connection, it is informed that the rainy season has just started and we all know the garbage, debris and other waste materials which may become source for Dengue Mosquito breeding. Therefore, it is requested that necessary immediate steps to be taken to clean the open sites in the campus by removal of garbage, debris and other waste, which causes stagnation of water and mosquito breeding. Further, necessary arrangement has to be made for continuous fogging in the campus to prevent Mosquitoes, which causes the various health hazards including Dengue Fever. The Programme Officer NSS, Volunteers along with other faculty members with the support of concerned local body office initiate necessary action for eradicating this menace with adequate care and precautionary measures.

The action taken in this regard may be communicated together with action photographs to Directorate of Technical education, Guindy, Chennai 600 025 through letter / mail (email-id nssdote@gmail.com) immediately after the conduct of the programme positively for consolidation and onward transmission to Government.

For Director of Technical Education
