From
Tmt. Mythili K. Rajendran, I.A.S.,
Secretary to Government.

To
All Departments of Secretariat.
All Heads of Departments.
All Public Information Officers /
All First Appellate Authorities.

Sir,

Sub: The Right to Information Act, 2005 – Certain
clarifications – Issued - Regarding.

The Anna Administrative Staff College has represented that during the training sessions conducted by it, many of the Public Information Officers are raising a point that in certain offices, persons working in one office are designated as Public Information Officers and persons working in other offices are designated as Appellate Authorities for the same Public Authority. This causes unnecessary delay in disposing the appeal petitions and creates problems due to communication gap among them.

2. Therefore, I am directed to request all the Public Authorities to designate, as far as possible, the persons working in the same office as Public Information Officers and Appellate Authorities.

Yours faithfully,

24/5/22
for Secretary to Government.
